Practice Policy / Financial Agreement / Notice of Privacy Practices

We are committed to providing the best possible treatment to our patients. As a courtesy, we will bill your insurance carrier on your behalf or assist you by providing copies of statements and medical documentation required for you to bill the insurance carrier directly. We understand the high cost of health insurance and we strive to help you receive the benefits to which you are entitled. If you have questions, please do not hesitate to ask us. We are here to help you.

INSURANCE

While we do participate with many plans, it is not possible for our staff to be aware of each plan's specific requirements and cannot guarantee coverage to any individual. Your insurance coverage is a contract between you, your employer and the insurance carrier. We are not a party to that contract. Not all services are covered benefits. Some insurance companies select certain services they will not cover. It is your responsibility to understand and comply with any predetermined benefits or referral requirements.

PAYMENTS / COLLECTIONS

Payment for copay, account balance, Self-Pay or elective/non-covered procedures will be due at the time of service. We realize financial problems may affect timely payment of your account balance. If such problems arise, please contact our office to discuss payment plan options. All accounts over 60 days past due are turned over to our collection agency. If your account is turned over for collection, you will be responsible for an additional 25% collection service fee.

NOTICE OF DISCHARGE

Our staff works hard at preventing a patient from being discharged, there may be instances where we have no other choice but to terminate the patient and physician relationship. Reasons for discharge include, but not limited to:

- **Misconduct:** Verbal or physical abuse by patient and/or family member, causing safety concerns for staff and/or other patients. Including improper language, threats of harm, violent behavior or anger will not be tolerated.
- **Noncompliance:** Does not or will not follow the treatment plan, repeatedly cancels appointments or No Shows for scheduled appointments.
- **Nonpayment:** If your account is continuously delinquent or you do not return our calls to discuss payment options. In the event your account is transferred to our collection agency, care may not be received until the balance is paid in full.

ACKNOWLEDGEMENT STATEMENT

I understand and agree that I am responsible for my account balance for services rendered to me. With my consent, Rockingham Dermatology, may use and disclose my protected health information (PHI) for treatment, payment and healthcare operations (TPO). I received a copy of the Notice of Privacy Practices, explaining how my health information will be handled, and all my questions have been answered.
